Introduction

Our mandatory introduction includes presentation of our routines and booking system and practical introduction to the boats, at sea as well.

Reusable booking

Bookings that can always be planned in the bookingsystem and rebooked once they have been used.

Last minute booking

Bookings that can be made excluding the reusable bookings. Last minute booking is possible the 3 nearest days. Unlimited per year.

Family membership

Membership allows for one captain. Family membership allows for more registered captains in a family (registered at same adress).

Excess eliminaiion

This frees you from payment of the excess incase of an insurance claim damage.

Boat academy

We offer a complete course, including theoretical and practical elements, for inexperienced new members. This is not offered to Premium and Premium+ as these categories require previous experience.
